Course Graduate Attributes (CGAs) are shared between a group of courses
Each major in a course has its own set of Course Intended Learning Outcomes (CILOs)

WHERE TO UPDATE IN THE SYSTEM

CIS / Course Area / Graduate Attributes tab (left blank)

Course Area Graduate Attributes (left blank)

Course Group

| Course 1 | Course 2 | Course 3 |

CIS / Course / Graduate Attributes tab / choose 'Edit' or 'Copy'

Manually input →

Course 1

Graduate Attributes

— Copied → Course 2

Graduate Attributes (copied from Course 1)

— Copied → Course 3

Graduate Attributes (copied from Course 1)

Parent major →

| Major 1 | Major 2 | ... | Major 4 |

CIS / Major / Graduate Attributes tab / choose 'Parent course'

Specify parent course
